

ECE 523: Symmetrical Components

Homework #0

Due: Session 3: [August 28 (on campus) and September 11 (Engineering Outreach)]

BACKGROUND

Please spend a few minutes to tell me about your background. Mainly courses taken or work experience that prepared you for this course.

OBJECTIVES

Now that you've had a chance to hear my objectives for this course, I would like to hear what you would like to get out of this course. I will try to meet your objectives in the class.
